

PhD Position in Macroeconomics at the University of Hohenheim

The Chair of Monetary and International Macroeconomics at the University of Hohenheim invites applications for a PhD position starting June 1st, 2025 or later in the area of Macroeconomics.

About the Position

We are seeking a highly motivated doctoral researcher to join our dynamic research group specializing in international macroeconomics, monetary economics or quantitative methods. The successful candidate is expected to conduct original research leading to a doctoral dissertation and to present their findings at departmental seminars and international conferences. As part of this position, you will contribute to teaching activities, and participate in departmental activities and our structured PhD program with specialized coursework.

Your Profile

- An excellent Master level degree in Economics or related fields with a strong background in macroeconomics and econometrics and/or numerical methods
- Strong quantitative and programming skills (MATLAB, Python, or similar)
- The ability to work independently on an own research agenda
- Ability to work both independently and as part of a research team
- Excellent collaboration skills with flexibility and strong teamwork
- Very good command of the English language

We Offer

The infrastructure of a modern research environment with excellent contacts to the scientific community. You will be working in a very attractive working environment in the Institute of Economics at the University of Hohenheim and an enthusiastic team of colleagues. Our department provides a vibrant research atmosphere with regular seminars, workshops, and conferences, access to high-quality datasets and computational resources, and funding for conference travel and research visits. You will also benefit from integration into our structured PhD program with specialized coursework. Compensation will be a half time position in accordance with the standards of the public services wage agreement of the State of Baden-Württemberg (EG13-TV-L), with the possibility of increasing to 75% employment. Starting date is June 1, 2025.

Your Application

Please submit your application, together with the usual credentials (CV, cover letter describing research interests and motivation (max. 2 pages), academic transcripts, etc.), electronically to kerstin.sommer@uni-hohenheim.de by adding **APPLICATION Research Assistant FG520A** in the subject line of your email.

The **deadline** for the submission is **April 30, 2025**.

Should you have any questions please contact Prof. Dr. Michael Evers, via email michael.evers@uni-hohenheim.de
